

# THE AGENCY BULLETIN

*Monthly Newsletter of Stansbury Service Agency*

## **New Management, New Start!**

In March, the Board of Trustees of Stansbury Service Agency hired Veronica Hobby as the Stansbury Service Agency General Manager with Charlie Haddon as Assistant General Manager. Rounding out the new management is Ingrid Swenson as the Executive Assistant and our new Event Coordinator, Holly. We are all excited to be serving the agency!

## **This Month's Highlights**

---

- No Swim lessons on July 5th
- Pool and Pickleball Courts are open.
- No regular Board meeting this month.

## Condition of Watering in the Park

You may have noticed a certain lack of green around the community in our public areas this year. Just as we were starting this year, the governor's executive order went out with a set of restrictions on watering that affected all government agencies. This cut our watering by over two-thirds. Much of our grass slipped back into dormancy. The state has eased our restrictions considerably and we are in the process of bringing the grass out of dormancy. But this takes time. It takes at least two weeks to convince the grass that it is springtime again and it can take another two weeks for the grass to get up and running. This is where we are now. You should start seeing new sprigs shooting up in the yellow areas. This means the grass is recovering. You can do much to help us in this endeavor by resisting the urge to set up tents or blankets in the stressed-out areas because the grass needs sunlight. Additionally, please have your families not run carts or bikes across these areas to help them recover. If you see a roped-off area; please stay off of it. Everything you can do to help the grass recover will be much appreciated.

Darin Jacobs  
Master Gardener

## The Pickleball Court is opened

We are excited to announce that the Pickleball Courts are open. We invite you to try the new facility and enjoy it. If you have any questions, please call the Service Agency at 435 882-6188

## News from the Pool Deck

The pool is opened Monday - Friday from 12:30 pm to 5:00 pm for public swim. The weekend and holiday hours are 12:30 pm - 6:00 pm for public swim. If you would like to schedule a private pool event or sign up for swim lessons, please call Holly at 435 249-0456. Adult Swim will be starting on July 13th on Tuesdays and Thursdays from 5:00 pm - 6:00 pm. No adult swim on July 22nd and Aug 3rd.

## Stansbury Park Library

Summer hours for July & August:  
Monday, Tuesday, and Wednesday Noon to 5:00 pm

## Two New Board Members

Join us in welcoming our two new board members for the office of Stansbury Service Agency Greenbelt:

### Maria S. Sweeten

Maria Sweeten has over 18 years in non-profit executive leadership and fundraising experience. She is currently the Development Director for Neighborhood House in Salt Lake City. She spent ten years with

the American Heart Association as the Executive Director-Utah Division and Regional CPR Program Manager. Prior to that she held positions with Salt Lake City Corporation and worked on a gubernatorial campaign. Most recently she served as Immediate Past Chair of The Salvation Army Advisory Board and was a member of the Tooele County Form of Government Study Committee. Her joy is working with non-profits.

Maria has two grown children, ten grandchildren, and three dogs. She spends her free time showing and training her dogs for competition performance events.

### Ammon Jacobsmeyer

Ammon Jacobsmeyer is a corporate finance expert, who has focused his career in strategic finance and data analytics. He currently works in financial planning and analysis for Overstock located in Midvale, UT. His prior service experience includes elected positions for community council in Taylorsville as well as university academic senate at Southern Utah University where, for both positions, he was responsible for policy alignment and government fund allocation. He and his wife (Sieta) have one daughter (Jayden), age 9. Ammon enjoys spending time with his family especially when it includes water. He also loves to spend his time on anything with two wheels; cycling, motorcycles etc.

## July Board Meeting

In lieu of our regular Board of Trustee meeting, we will have a training given by our auditor, John Haderlie on July 14th. A public notice will be posted on the state public notice website with more details prior to the meeting.

## Upcoming Events

Stansbury Days Aug 20th -  
21st Summer Pool Closure  
Sept 6th

## Non-motorized Recreation Vehicle on the Lake

If you are planning to use your boat/kayak, please make sure to have a boat license at the lake. You can purchase one at the agency's office for \$5.

## News from the Greens

This week on the gold course, we started a joint effort with the parks and greenbelt. We replaced four thirty year old Rainbird sprinkler heads with new Toro heads. With the evacuator machine that the service agency owns, we can dig up and replace sprinkler heads in a fraction of the time it takes by hand. We are planning on doing this once a week for the rest of the summer.

Jeff Green

## Lake Update

The water level is currently low due to a clogged water line that feeds the lake. The problem has been fixed.

The water quality in the lake is good, the P.H., dissolved oxygen, and algae are all within acceptable levels for this time of year. As a reminder for those that live on the lake, we will pick up any lake weed that is on your curb on Mondays and Fridays. Thank you for your patience.

Mark Davidson

## Porter Way & Oscarson Parks

We are in the process of improving the South end of Porter Way park. Please respect the temporary fence.

We will also be putting temporary fencing up at Oscarson park to prevent ATVs and dirt bikes from entering the park. It will help reduce the dust in the adjacent neighborhood.

## Service

### Agency

Directory  
Main Phone Number: 435 882-6188

Event Coordinator: 435 249-0456

Golf Course: 435 882-4162

Cemetery Sales: 435 840-2462

## Tips for trees

The best time to plant a tree was twenty years ago, the next best time is now. Remember that the leaves are the food factory of the tree. If they show wilting, the tree may need hydration, especially newly planted trees.
