

THE AGENCY BULLETIN

Monthly Newsletter of Stansbury Service Agency

Message from the GM

As Christmas approaches, I cannot help but reflect on a long ago Christmas that I spent with my brother in the small ranching community in southwestern Wyoming where I grew up. We were both barely in our teens and did our best to bumble through the time together as our parents spent the holiday at the U of U hospital where my father died a short time later. It was a difficult time, but also an experience that I have learned to treasure in the decades since.

Of the many lessons I learned, the strength that comes from community is high on my list. So many neighbors and friends rallied around us and helped us through that dark time and many of these people remain a meaningful part of my life to this day. I feel much the same about my neighbors and friends here in Stansbury Park. I am fortunate to live in a community where people help each other and work together to better the community. Just one example, (and the highlight of my time at the Agency) was renaming Northport Park to Solomon Park after long-time residents Ray and Ilene Solomon who volunteered many, many hours to beautify the lake and community. The Agency had nothing to do with the renaming of the park -- it was a 100% resident driven initiative. I am so grateful to the community members who cared enough to make sure Ray and Ilene were recognized in this way for their years of service.

As we enter a new year, it is my hope that we can continue to come together to strengthen our community and cement a lasting foundation for generations to come.

Happy Holidays!

Stansbury Park Library

The library has been able to activate the overdue notification feature. It will notify you 1 day before a book is due, 3 days after a book is due and 7 days after a book is due. You can return the books at any time in the book drop or at the library when we are open. We are open every Monday, Tuesday, and Wednesday from 12 to 5 pm.

The library will be closing for Christmas break on Dec 20- 22 and reopen on December 27th. I hope you have a wonderful Christmas.

FYI: You might have noticed Nibbles is wearing a mask and band aid. He has received his first Covid vaccine and will be receiving his second vaccine in the next week.

Stansbury Golf Shop News

Wow! The year is almost over, that is so hard to believe. We have had a wonderful year of golf, and we want to thank all of you for making 2021 such a success!

We have some exciting news happening at Stansbury Golf Course: our very own Cody Castle has been promoted to 1st Assistant Professional. Cody has been in the golf industry for 20 years (more than half his age). He will be going through the PGA Program starting this winter to earn his membership into the PGA. This program takes on average 2-3 years to complete. We are very happy for Cody. He will be great as our new Assistant Pro.

In Other News:

If anyone is looking to have a Corporate Tournament at Stansbury for 2022, please call the Golf Shop at (435)-882-4162 for further information or to schedule a date.

For anyone that may have money on the books or owes the Golf Shop, please stop by or give us a call to get this taken care of before the New Year.

Now onto some sadder news—we will be closing the Golf Course for the month of January to give the course a much-needed rest. We hope you understand, and we will be back up and running in February.

Once again, we want to thank you for a great 2021, and we want to wish you all a safe, healthy, and Merry Christmas! We will see you soon!

"Safe Route to School"
