

APRIL NEWSLETTER

Welcome to the new GM:

Dear Stansbury Service Agency Community,

We are delighted to announce Jim Hanzelka's appointment as the new General Manager of Stansbury Service Agency. Many of you are already familiar with Jim, who has been serving as Interim GM since mid-May.

During his time as Interim GM, Jim has demonstrated exceptional leadership and spearheaded numerous positive organizational changes. His dedication to excellence and his commitment to serving our community have truly set him apart.

With Jim officially stepping into the role of General Manager, we are confident that Stansbury Service Agency will continue to thrive under his guidance. His extensive experience and innovative approach will undoubtedly bring further success and growth to our agency.

Please join us in congratulating Jim on his well-deserved appointment. We look forward to working together under his leadership as we continue to uphold our mission of providing exceptional service to the Stansbury community.

Sincerely,

Stansbury Service Agency Board of Directors

GM Corner:

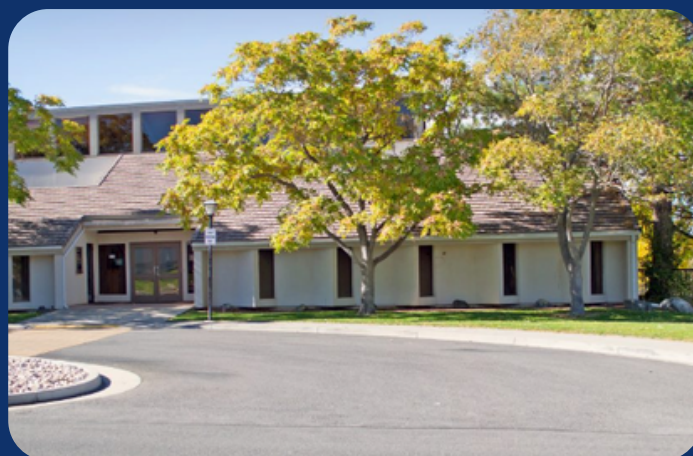

With Spring approaching we have started prepping for the summer season. Some areas will be sprayed in the upcoming weeks for weeds so please be mindful of those areas with children and pets. The chemicals we use are pet and child friendly, but I would still avoid areas where spraying has been conducted to be extra cautious.

The playground equipment that was condemned in last fall's safety inspection has been inspected and those items that need to be repaired or removed have been identified. The process of completing repairs/removal will take place during April and we will be opening those areas as they meet the safety criteria. We have a limited amount of replacement equipment on-hand and there are no funds for purchase of new equipment this year.

A reminder that signage on agency property is limited to non-commercial signs only. All signage must be approved by the agency in advance and stickers are placed on the signs when approval is granted (so they are not removed). Signs are only allowed in designated areas (another reason for getting your sign approved so you know where to put them).

Clubhouse Rental:

Do you need a space to hold a fun party or event? Come check out our open house on April 5 from 11:00 AM - 1:00 PM. There will be a yummy treat and a raffle to win a free reservation (For the upstairs or downstairs)! The Clubhouse will be accepting tour walk-ins on Mondays and scheduled tours every weekday except for Wednesday. You can get 10% off your clubhouse reservation if you book your reservation the 1st week in April for any future reservation. This offer is limited to the first 10 reservations!

ProShop - Welcome 2024:

Summer is on its way, and we are excited about the upcoming golf season at Stansbury Park Golf Course. We have some fun things coming up at the golf course starting soon!

Leagues

League play starts mid-April! We have leagues for ladies, seniors, couples, and juniors. League play is a great way to meet new people and enjoy fun formats with a little bit of competition. Please reach out to us for questions, more details, and schedules for these leagues.

Junior Golf

We are excited to bring a full junior golf schedule to Stansbury Park Golf Course this year! If you have kids who would like to play, we would love to find ways to get them involved. Check out our upcoming junior golf activities: **May 31- JR Golf Party**. Free activities, games, and golf clubs are available to the first 50 kids (size quantities are limited). More details are coming.

Golf Lessons

We have added two new golf professionals this year! From experienced players to beginners, we are excited to help you reach your golf goals in 2024! If you are new to the game or looking to improve your scores, please contact our staff.

Greens:

Winter 2024 Golf Course Update

This winter has provided a mix of conditions that have benefited all things concerned with the golf course. Roughly a month of snow cover gave the course some protection and a break from golf during the coldest part of the year. We opened for play at the end of January and have had many productive playing days. The course received needed rain to keep the turf crowns hydrated but allowed the course to remain open.

The staff is currently servicing mowers, getting them ready for the upcoming season. We have also tried to smooth out some of the asphalt cart paths with road base. This spring we hope to finish the irrigation wiring on holes 10 and 18. Another area of concentration will be reseeding fairway bare spots. We will also continue to work on the irrigation system around the course as needed. We are planning to aerify the greens mid-April, weather permitting. We have a contractor scheduled to spray for broadleaf weeds on the golf course and green belts when it warms up, possibly end of March/early April. Our overall goal is to continue to improve the golf course within the confines of our budget, eventually becoming self-sustaining and relieving the financial burden of the agency.

Reminders:

Get your watercraft registered including paddleboard, canoe, kayak, and boat. \$5 per watercraft.
