

JULY 2024 NEWSLETTER

GM Corner

First off, let me apologize for the issues with watering around the park. Due to a lack of communication we didn't shift from the one-a-week schedule we were on during the wet parts of may to the multiple-times a week we needed to be on for the hotter weather we experienced at the end of May fast enough. Those changes were made several weeks ago and any current watering issues are due to line breaks or backflow issues. There have been a significant number of those and with the loss of our lead irrigation tech we simply couldn't fix things fast enough. We have brought in contractor help to get everything fixed as fast as possible, so if your corner of the park has issues, we'll get to it as soon as we can.

In the good news department, the part for the boat is in, and we will start training the volunteer operating crew as soon as possible. We are down to one board, and that one is old and requires a lot of maintenance. I have identified a replacement, and we plan to order one as soon as we have funds available.

The one area we don't have a good fix for is those fingers of the lake on Captain's Island. The best option so far is volunteer help, Mary Wilson has agreed to take on that program, as well as helping us with other park that need gardening and botanical help.

I also want to thank all those volunteers who have stepped up to help us manage this place we live in. Wil Pineda has almost single-handedly kept the lake monitoring effort going. Joyce McMullen is again taking on the management of the Stansbury Days Event, and Greg and Meg Payeur have taken charge of the Christmas Event and are assisting with vendors for Stansbury Days. Wendy Chin Johansen has been instrumental in advertising other events, pitching in whenever needed. I'm sure I'm missing someone, but thank you to everyone who is helping and to those who've recently come forward to offer help. We recognize that this year would be the most difficult while we wait for the tax increase to take effect, and anything we can do to offset costs will help us get back on a solid financial footing faster.

Again, thanks, everyone.

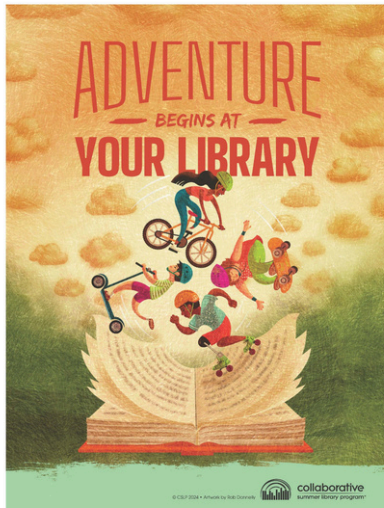

Stansbury Park
Summer Reading
June 3 - July 26

Kickoff activity at 1:00pm on June 4th

Come by the clubhouse each week
for a take-home craft

Reading incentives for reading
daily during the summer

ProShop Corner

Summer is in full swing at the golf course. We have a lot of fun happenings going on!

We will be holding a Firecracker, Red/White/Blue two-person best ball tournament on June 29 at 8:00 a.m. This tournament is open to men and women or mixed teams, and players of all ability levels are encouraged to play. For more details, contact the pro shop.

Leagues

Leagues are in full swing, but it is not too late to join. We have a 36-hole tournament coming up soon, but we also have fun, low-stress nine-hole options for women, seniors, and men. League play is a great way to meet new people and enjoy fun formats with some competition. These leagues are great for all abilities, and it is a fun way to get out and play. Please contact us for questions, more details, and schedules for these leagues.

Junior Golf

We are excited to bring a full junior golf schedule to Stansbury Park Golf Course this year! If you have kids who would like to play, we would love to find ways to get them involved. We have a variety of junior golf options. For beginners, we have camps that run through August. If you know someone looking to try golf, this is a great option for starting or improving your game. Please contact us at the pro shop for a full schedule or if you have questions.

For more experienced kids we also have a junior league. The league plays Monday mornings and provides brief instruction with a full nine round. This is a great way for kids to try out their skills on the course and be able to meet some kids and have fun.

Golf Lessons

If interested in lessons or getting into the game we have a PGA staff that is excited to help with questions about equipment, lessons or how to get into the game. We have added two new golf professionals this year! From experienced players to beginners, we are excited to help you reach your golf goals in 2024! If you are new to the game, looking to improve your scores, or just looking for a way to get involved, we would love to meet with you. We encourage tee times, especially on weekends, as we have filled up most weekends. During the week and the day, we do have plenty of openings, so if you are looking for a quick nine, come to a good place to learn Monday-Thursday during the day. It is a great time to come out.

If you have questions about the league, need more lesson information, or want to book a tee time, please call the pro shop. 435-882-4162 Thanks!

Adopt-A-Greenbelt Program

This is an opportunity for neighborhood groups, regular park users, and nearby residents to help maintain neighborhood greenspaces.

If it's an emergency outside of business hours, call our after hours line at 801-380-0388

Golf Greens Corner

The conditions on the golf course continue to improve. Our main focus continues to be the irrigation system. We are battling massive electrical problems, ancient sprinklers, and growing expectations, but we will continue the fight and eventually beat this old system into submission.

Staffing levels are low but due to equipment breakdowns that is alright – we don't have enough machines for staff right now. Repairs are underway and new staff are in the pipeline. When the machines are fixed, we will tame the rough and then the golf course will be as good as it has been in a long time.

Play really seems to be up this year. There are lots of new faces and the feedback from golfers is almost all positive. One of the best compliments we get is people are not ashamed to bring guests out here, and that speaks volumes about the direction we are headed.

Looking For Volunteers to Join Us!

Are you like me, a citizen of Stansbury who is willing to help beautify our community, but needing someone to organize/give direction so we know how to act? Join the Stansburians Servicing Sprinklers every Saturday in July from 7:30-9:30am (Just come 1, or come for them all). Meet Gordon at the clubhouse @ 7:30 am to learn location for the day.

THIS APPLIES TO GOLF CARTS AND WILL SOON BE ENFORCED IN STANSBURY PARK

41-6a-1115 Motor assisted scooters

- (1)(a) Except as otherwise provided in this section, a motor assisted scooter is subject to the provisions under this chapter [Ch. 41-6a] for a bicycle, moped, or a motor-driven cycle.
- (b) For a person operating a motor assisted scooter, the following provisions do not apply:
- (i) seating positions under Section 41-6a-1501;
 - (ii) required lights, horns, and mirrors under Section 41-6a-1506;
 - (iii) entitlement to full use of a lane under Subsection 41-6a-1502(1); and
 - (iv) driver licensing requirements under Section 53-3-202.
- (2) A person under 15 years of age may not operate a motor assisted scooter using the motor unless the person is under the direct supervision of the person's parent or guardian.
- (3) A person under eight years of age may not operate a motor assisted scooter with the motor running on any public property, highway, path, or sidewalk.
- (4) A person may not operate a motor assisted scooter:
- (a) in a public parking structure;
 - (b) on public property posted as an area prohibiting skateboards;
 - (c) on a highway consisting of a total of four or more lanes designated for regular vehicular traffic;
 - (d) on a highway with a posted speed limit greater than 25 miles per hour;
 - (e) while carrying more persons at one time than the number for which it is designed; or
 - (f) that has been structurally or mechanically altered from the original manufacturer's design.
- (5) Except where posted or prohibited by local ordinance, a motor assisted scooter is considered a nonmotorized vehicle if it is being used with the motor turned off.
- (6) An owner may not authorize or knowingly permit a person to operate a motor assisted scooter in violation of this section.
- (7) A person who violates this section is guilty of a class C misdemeanor.

If your child is stopped driving a golf cart in violation of this code they will be cited.

According to the Tooele County Attorney's office "direct supervision" means you are in the golf cart with them.

If you have any questions please contact the Tooele County Attorney's office 435-843-3125
