

JUNE 2025 NEWSLETTER

Message From the GM, James Hanzelka

We are excited for another beautiful summer, and will continue to improve our community! Here is an update of the changes that are happening.

*Playgrounds: We closed three playgrounds and removed another based on an inspection in March. We repaired the playground at Village Park, and it is now open. Four parks, Parkview, Gateway, Sagers and Ponderosa, should be repaired sometime in June once the contractor receives the replacement parts.

*The equipment at Woodland Park was removed to prepare for installation. The crew will soon begin rerouting the sprinklers and laying the groundwork for installation of the new park equipment. The park redesign will allow for an all-abilities playground, the reinstallation of the original swing set, and still preserve the tree we originally planned to remove.

*To prevent further issues, we have established a maintenance program and budgeted for replacement parts and materials to consistently maintain the playgrounds.

*After a year off, we have seen a significant increase in vandalism, theft and damage, including some criminal activity, that has been referred to the Sheriff's Office. As a reminder, enforcement in Stansbury Park is the responsibility of the Tooele County Sheriff's Office and occasionally the Department of Wildlife Services. We stay in constant communication with them and they are doing their best, but they are overwhelmed and short staffed like everyone else.

*We received a grant for the bridge repair, so we will plan the start date for that project for next year. We also have a number of projects that have been awarded, so the community will be buzzing with activity this year as we begin the lengthy process of repairing and replacing neglected infrastructure.

*While we have finally achieved the resources to properly maintain the park, there are over 400 acres plus the lake and all the recreation facilities. That means it will take some time for us to get around to fixing everything. We do appreciate your interest and try to respond to everyone's input, but please understand that we may be working on a higher priority problem so it may take a while to get to other issues that are submitted.

Above all, have fun this summer and stay safe!

YOUTH MAKING A DIFFERENCE

Acting Fast Saved a Life

Robbie Reed was squeezing in his last steps for the day when he noticed a large clump floating on the water. Thinking it was a towel that belonged to 2 observers on the shore, he removed his shoes and phone and jumped in to retrieve it.

That's when he found out it was a little girl who was not breathing. Immediately getting her to shore, he and an EMT who had recognized what was happening and run to help revived her with CPR. Robbie's mother called 911.

Robbie's swift action saved the girl, who is doing well. Thanks to Robbie for making our community a safer place to be!

New Life at Solomon Park By Mary Wilson

Many thanks to Warren and his family, who helped us plant four trees at Solomon Park this month.

He and his volunteers also assisted the Stansbury garden team with planting 90 drought-resistant perennials in the beds at the park, as well! We are looking forward to watching the park grow and thrive this summer.

We love our youth serving as volunteers!

NEWS FROM THE GOLF COURSE

Tee Time!

Summer is here at the golf course! We have been very busy on weekends, but during the week is still a great time to play. Due to the amount of play we have been experiencing, we encourage those who come out to schedule tee times.

Junior Golf Clinics & League at Stansbury Park Golf Course

We're excited to help young golfers develop their skills and have fun on the course! Here's what we have going on for juniors right now:

***Summer Junior Clinics:** Our first round of clinics started May 27. Pre-registration is required for these classes. Each class is \$60 per student and runs three days in a row, one hour each day. All skill levels are welcome, and we'll cover full swing, chipping, pitching, and putting. Clubs are provided for those who need them. PGA professionals teach all clinics, and we keep a small group size of 8 students per teacher. Please visit stansburypark.gov/golf-lessons/ to view the Summer Junior Clinic Schedule.

***Junior Golf League:** Our junior league begins Monday, June 9, and meets every Monday at 8 am through August 4. The league is \$100 per kid. Players should be comfortable getting around the course on their own. It's best if each child has their own clubs, but we can also help provide equipment if needed.

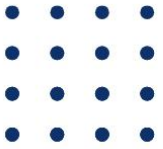

*For more information or to sign up for summer clinics or the junior league, please call the pro shop. (435) 882-4162. We look forward to seeing your junior golfer out on the course this season!

Junior Golf Party Shout Out from Doug Brown

We had a great turnout from our junior golf day! Thanks to everyone who came out. Because of generous donations, we were able to give away multiple sets of clubs. We appreciate our donors!

POOLSIDE

Water Safety Tips (from Robbie Reed)

- *Be aware of your surroundings!
- *Teach children water safety and know what to do in emergencies!
- *Do not overestimate your capabilities. Be willing to listen to your body and get out of the water.
- *Taking training courses will help you recognize signs of distress and stay safe.
- *Action is not embarrassing, because the consequences of acting are small compared to those of not acting.

AT THE LIBRARY

Summer Reading

 **STANSBURY PARK LIBRARY**

Week 1
June 2nd-6th

This Week our Library is open Monday-Friday 10-5
