## Message from the GM, James Hanzelka

As we start a new year, it's a good time to look back at the previous year and take stock of what was accomplished—or not accomplished, as the case may be. 2025 saw the Agency take some major steps forward in restoring the facilities around the park that were in much-needed repair.

Last year we concentrated on safety first: upgrading fire safety in both the clubhouse and the pro shop, doing major repairs to all the playground equipment throughout the park, replacing the railings around the gazebo and clubhouse area that were so corroded they presented a hazard should someone put any weight on them, and purchasing two defibrillator units so we had this critical piece of equipment at the pro shop and clubhouse in addition to the pool.

We also concentrated on projects that would protect our assets. The clubhouse and pro shop had significant water intrusion points; last year we replaced the 50-year-old windows and seals to stop leaks and rebuilt the roof on the Operations Maintenance Shop, which had a significant hole in it.

In terms of improvements, we completed a planned clubhouse dock with support from a Utah Outdoor Recreation Grant and a Tooele County Recreation Grant.

We completed wiring on holes 11 and 19 of the golf course, which will allow us the ability to put those holes, tees, and fairways on our automated irrigation system, and we completed the initial phase of the Millpond Park Project.

We also upgraded operations in both irrigation and mowing crews, rebuilt the lake weed-harvesting boat to get another 10 years out of this costly asset, and added a facilities maintenance team to upgrade the ongoing maintenance of assets that had been neglected for years to preserve those assets. This team is also responding to the many instances of vandalism throughout the park.

In 2026 we have three major projects we hope to complete. We have a grant to help us rebuild the existing bridge over the Millpond, we have a UDOT grant to provide the major portion of a trail that will connect Millpond Park to Village Boulevard, and we hope to finish the trail from the parking lot to the amphitheater. We will also be restarting the Oscarson Park build project. We are also continuing to improve operations and fix infrastructure issues.

We have done a lot last year, but there is more to do, and we are intent on continuing to improve the park while finding efficiencies and cost offsets

# JANUARY NEWS

## YOUTH RECOGNITION AWARD

### Jade Parks

Nominated by Carissa Chacon and Kelly Hranicky. Parent: Brittney Allred. Jade is a very kind student. She helps everyone around her, no matter who they are or what they need help with. She is always positive and cheerful when helping others.

### Alexa Miller

Nominated by Lauren Rutland. Parents: Chris and Vanessa Miller. Alexa is very involved with the Scouting Program. She is always good to help with Eagle Service Projects and also volunteered at the "Bike the Bear" at Bear Lake. Alexa is always helpful and inclusive of others.

## WINTER WEATHER REMINDER

Do not park your vehicles on the street when snow is falling or when snow or ice have accumulated.

*Crochet Baby Blanket*  
Take-&-Make

We provide the pattern and the yarn.

You provide the crochet hook.

Available at the Stansbury Park Library

A small illustration of a baby in a green onesie is shown next to the text. To the right, there is a pink crocheted baby blanket in a basket. A small tag on the basket lists the colors: Pink, Mint Green, White, Purple, and Yellow.

## LIBRARY ANNOUNCEMENTS

Come grab one of our Take & Make Kits. The Kits for January include:

- Take & Make Journal Covers.
- Take & Make Crochet Baby Blankets
- Take & Make Baby Doll Blankets

Come get a Winter Reading Tracking Sheet.

Read 36 books or more and you can choose a new book to take home.

# BOARD OF DIRECTORS

## Welcome New Board Members

Recreation Special Service District  
Board of Trustees
