Winter Safety: Stay Off the Ice

As colder weather approaches, please remember to stay off the ice on the lake and other bodies of water throughout the park. Ice may look stable, but temperatures generally do not stay cold long enough to create ice thick enough to safely support a person's weight. The warmer winters we have experienced make this especially concerning. We have needed water rescues in recent years. Please help prevent serious injury or loss of life by keeping yourself, your family, and your pets off the ice.

Phragmites Removal

Seasonal conditions are now favorable for treating and removing phragmites. The Agency will provide treatment chemicals to homeowners who wish to address phragmites adjacent to their properties. Because we operate under a county license, we cannot spray in areas adjacent to private property. We ask homeowners to cut down and spray the stalks around their homes. Contact the Agency to arrange brief training and obtain the treatment chemicals.

Playground Maintenance

We will be working on a couple of our older playgrounds, which may require temporary closures. For your family's safety, please respect posted closures and stay out of roped-off areas.
We are also exploring long-term solutions for these playgrounds.

Porter Way Park Field Improvements

Repairs to the baseball/softball field at Porter Way Park are nearly complete, with help from the Tooele County Recreation Committee. Please stay off the newly rebuilt infield. Protecting this work now will help us avoid additional repair costs and have the field ready for play when the season begins.

Christmas Event Update

We have tentatively moved our Christmas event to Friday evening because of the number of competing events on Saturday. With the schedule change and shorter event timeframe, this year's celebration will feature crafts, treats, and a visit from Santa. Vendors will not be included.

Warm Holiday Wishes

We wish everyone a safe and joyous Thanksgiving and Christmas season!

VOLUNTEER ORGANIZER NEEDED

Help keep the Icebreaker Plunge going!

We need a volunteer to lead the planning and organization of the Icebreaker Plunge.

Without a volunteer organizer, the event will have to be canceled.

Interested in taking the lead?
Contact Kellianne Rosemann at
k.rosemann@stansburypark.gov
or call the SSA office to learn more.

Thank you for helping make our community events possible!

HELP STOP PHRAGMITES

Protect our lake. Start close to home.

HOMEOWNER TREATMENT PROGRAM

URGENTLY NEEDED

VOLUNTEER COORDINATOR

Help organize homeowner participation and coordinate this effort with the Service Agency. Call 435-882-6188 to volunteer.

WHAT IS PHRAGMITES?

Phragmites (common reed) is a tall wetland grass with feathery seed heads. The invasive variety spreads rapidly, forms dense stands, crowds out native plants, and reduces wildlife habitat.

WHY HOMEOWNER HELP MATTERS

Under its contract with the County, the Service Agency cannot treat homes or areas near homes because of potential herbicide overspray. To help control invasive phragmites in these areas, the Agency has treatment chemicals available for homeowners to use around their homes.

BRIEF TRAINING: READ & SIGN

The brief training consists of reading the product's safety label and signing a document confirming you have read it and understand how to use the chemicals.

Complete this step before receiving chemicals. Always follow the label.

TO PARTICIPATE OR VOLUNTEER, CONTACT THE SSA OFFICE

Please Help Protect Our Parks

No Parking on the Grass Near Stansbury Elementary

Parents may have noticed that Tooele County recently added No Parking signs across the street from Stansbury Elementary School. The Stansbury Service Agency will also be adding red striping in this area to further emphasize that parking is not permitted.

One reason for this change is the damage caused when vehicles pull off the roadway and onto the grass. Much of our sprinkler infrastructure is located adjacent to the curb and gutter, and vehicles parked on the grass can damage this critical infrastructure.

Please help us reduce unnecessary maintenance costs by refraining from parking on the grass throughout the park. Thank you for helping us protect our shared public spaces.

Red-marked area: No parking across from Stansbury Elementary School.

STANSBURY STRONG
OUR YOUTH MATTER
COMMUNITY COALITION

YOUTH RECOGNITION: Erika Shields

Recognized for leadership, service and inclusion

Erika Shields at the October 21, 2026, Board Meeting for recognition.

Stansbury High School student **Erika Shields** was recognized by Stacy Smart at the **October 21, 2026, Stansbury Service Area Board of Directors meeting** for her dedication to her school and community.

Nominated by Christina Shinton, a counselor at Stansbury High School, Erika brings energy, enthusiasm, and genuine care to her service. She notices those around her and makes a point of including others.

Through Key Club, Book Club, FCCLA, and the Stansbury Strong Community Coalition, Erika has contributed to a school-supply drive, a book-sale fundraiser, and efforts to help another student participate.

Whether taking on a leadership position or working alongside others, Erika willingly steps up to meet new responsibilities and challenges.

Congratulations, Erika, and thank you for helping make Stansbury a more welcoming community!

SERVING OUR COMMUNITY • BUILDING A STRONGER STANSBURY

A Letter from Miss Stansbury

Dear Stansbury friends and neighbors,
Thank you to everyone who joined our Bat Awareness and Build Night at Porter Way Park on October 26, the first phase of my Miss Stansbury platform!

The royalty and I enjoyed sharing free games, storytime, a scavenger hunt, and Home Depot-sponsored bat building kits. Our family sponsors built bat boxes, while Girl Scout Troop 146, National Honor Society, and Hope Squad helped make the evening a success. My favorite moment was dancing around the prize bin with all my new friends!
We still need support for Phase 2 and our ribbon-cutting! Sponsorships will help cover the cost of mounting poles and signage.

Please reach out if you would like to help.

To every sponsor, family, and volunteer: thank you for making this project possible. I cannot wait to celebrate the next phase with you!
With gratitude,

Abigail Arnell
